

GROUP 10-YEAR LEVEL TERM LIFE INSURANCE

SEARCHING FOR LIFE INSURANCE HAS NEVER BEEN EASIER.

MEMBERS OF THE AMERICAN INSTITUTE OF PHYSICS' MEMBER AND AFFILIATED SOCIETIES ARE ELIGIBLE TO REQUEST INSURANCE SPONSORED THROUGH APSIT.

You have access to quality coverage that's specially negotiated and portable—even if you change jobs, your policy can stay with you. Let APSIT help you protect your family's financial security by providing them with a cash benefit to help offset the bills and expenses you would be leaving behind should something happen to you.

Why should I consider APSIT Group 10-Year Level Term Life Insurance?

The APSIT Insurance Program offers you specially negotiated Group 10-Year Level Term Life Insurance to help ensure a secure foundation and financial future for your loved ones. Once you're approved for coverage, your rate is locked in for the first 10 years, so you won't have to worry about fluctuations in the economy, or your age, health, or work situation. With APSIT, your rates are guaranteed not to increase for the full initial 10-year term.

How can life insurance help protect my loved ones?

Group 10-Year Level Term Life Insurance can help your family continue to live comfortably should anything happen to you. It creates an instant estate to help supplement the loss of your (or your spouse's) income—making it easier for your family to pay for immediate expenses or long-term needs such as a mortgage or your children's education.

Who is eligible for coverage?

Members of the American Institute of Physics' Member and Affiliated Societies are eligible to purchase insurance sponsored through APSIT. Members in good standing and their lawful spouses under age 65 who are residing in the United States (except NC and VT); Puerto Rico; or Canada (except Quebec), and all unmarried dependent children ages 14 days through 22 years (24 if full-time student) may apply for group 10-year level term life coverage.

What features are included with APSIT Group 10-Year Level Term Life Insurance?

It's portable: Unlike insurance through an employer, your APSIT Group Level Term Life Insurance can stay with you even if you change jobs, provided you maintain your APSIT society membership and pay your premiums when due.

Exclusions: There will be no benefit for suicide, whether sane or insane, during the first 24 months of coverage; the only benefit will be a return of premium paid. Otherwise, benefits are paid for death from any cause, at any time, anywhere in the world (subject to U.S. government regulations on restricted countries). The validity of any amount of your life insurance, which has been in force for two years during an insured's lifetime, will not be contested except for insurability provisions and non-payment of premium contributions.

What are my coverage options?

You have a wide range of coverage options to choose from—up to \$1,500,000!

The total amount of coverage an individual may request under all Group Life Insurance underwritten by New York Life Insurance Company may not exceed \$1,500,000. In addition, the total amount of coverage an individual insured may have under all group policies issued by New York Life Insurance Company to the Trustee of APSIT Group Life Insurance may not exceed the maximum benefit option for any insured person.

COVERAGE OPTIONS		
MEMBER OPTIONS	SPOUSE OPTIONS	CHILD(REN) ² OPTION*
\$10,000 to \$1,500,000 ¹	\$10,000 to \$1,000,000 ¹	\$10,000 per child

¹In \$10,000 multiples. Spouse's coverage may not exceed member's coverage.
²6 months through age 22 (age 24 for full-time student).

Am I eligible to receive any discounts?

Volume discount: Members who apply for higher coverage amounts are eligible for volume discounts. If you or your spouse become insured for coverage amounts of \$250,000 to \$499,000, you'll receive a volume discount. For \$500,000 to \$1,500,000 of coverage, you'll receive an even bigger discount.

How is my rate determined?

If you and/or your spouse meet the highest underwriting standards, including qualifying as a non-smoker, you may qualify for "Preferred" (the policy's best) rates. Other non-smokers may qualify for "Select" (higher, but still specially negotiated) or "Standard" (the policy's highest) rates. (See Annual Premium Rates table for details.)

Are there any specific benefits I should consider?

Accelerated death benefit: An insured member would be eligible to request one advance payment equal to 50% of your (or an insured dependent's) in force life insurance, to be paid while the insured is still alive. To qualify, the covered person must be diagnosed as terminally ill with a life expectancy of 12 months or less, as well as provide any other necessary medical information requested. You can use all of the money received under the accelerated death benefit in any way you choose to help ease the burden during a difficult time. The request must be made at least 12 months prior to the covered person's scheduled coverage termination age, and the amount of insurance payable after the covered person's death will be reduced by this payment. (Premium contributions will not be reduced.) Please note that receipt of accelerated death benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor. Please see the Certificate of Insurance for more details, conditions, and limitations.

Will my coverage lapse after the initial 10-year term?

If still eligible, you and your spouse may reapply for a subsequent 10-year term at the rates in effect at that time, provided the insured is under age 65 and otherwise eligible. Rates for the subsequent term would be determined based on your then current age, health, and tobacco/nicotine use and will be guaranteed for 10 years. If you don't apply or aren't approved for another 10-year term, your coverage will continue, but on a non-guaranteed rate basis, with increasing premiums as you age. Please call the Plan Administrator at 800.272.1637 for details.

Important Details:

Eligibility Requirements: All APSIT society members under age 65 and residing in the US (except NC, VT, or territories), Puerto Rico, or Canada (except Quebec) may request coverage for themselves, their lawful spouses under age 65, and all unmarried dependent children ages 14 days through 22 years (24 if a full-time student). In order to become insured, individuals must provide satisfactory evidence of insurability and pay the required premium.

A dependent who is also an APSIT society member, is eligible for either member or dependent coverage, but not both. If both the member and spouse are covered as members, neither may insure the other as spouse and only one may insure any eligible children.

You Name Your Beneficiary: Your beneficiary is the person(s) last designated by you in writing and recorded by or on behalf of New York Life Insurance Company. You may change this beneficiary designation at any time by written request. You are the automatic beneficiary for dependent insurance, as described in the Certificate of Insurance. If you wish to name another beneficiary for spouse insurance, contact the Program Administrator for the applicable forms.

Ownership of Insurance: "Owner" means the person or entity with rights of ownership of the insurance as described in the Certificate of Insurance. If a transfer of ownership has been recorded by or on behalf of New York Life Insurance Company, or if initial ownership is by other than the member according to the information provided on the application, references throughout this policy information to "you" or "member" will mean "owner," as applicable.

30-Day Free Look

When you become insured, you will be sent a Certificate of Insurance summarizing your insurance coverage. If you are not completely satisfied with the terms of your certificate, you may return it, without claim, within 30 days. Your coverage will be invalidated and you will receive a full refund—no questions asked!

Effective Date: Insurance will take effect on the date your application is approved by New York Life Insurance Company, provided the initial contribution is paid within 31 days after the date you are billed (send no money now) and any person to be insured is performing the normal activities of a person in good health of like age. (Residents of North Carolina: Any reference to "performing normal activities of a person in good health of like age" is replaced by the requirement that the health status of any proposed insured person remain the same as stated in your application.)

Any person who is not performing his/her normal daily activities as required will not become insured until the day he/she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible.

When Coverage Ends: Coverage will end when the insured person reaches age 75 (23 for children, or 25 for children who are full-time students) or earlier if: (a) premium contributions are not paid when due; (b) APSIT society membership ends; (c) the group policy is terminated or modified by the policyholder to end insurance for the group of insureds to which the member belongs; or (d) the insured requests to terminate insurance. In addition, dependent coverage will terminate when the dependent spouse or child ceases to be an eligible dependent. Upon your death, coverage for your insured dependents may continue as described in the Certificate of Insurance.

Important Information From New York Life Insurance Company: This policy is medically underwritten based on the information provided by you on the application. It is important that you complete the form truthfully and completely. Your request is subject to New York Life Insurance Company's approval, and more medical information may be requested. An administrative fee of \$.50 will be added to your premium bill for all modes other than annually.

Rates for Children: \$1.20 Annual Premium Per \$1,000 of Insurance (\$10,000 maximum coverage for each child)

The premium contributions shown reflect the current rates and benefit structure and are payable semiannually (direct billed on March 1 and September 1) or monthly via Pre-Authorized Check Payment Plan or credit card. Send no money now—you will be billed for the appropriate premium upon approval of your application.

Premiums are guaranteed to remain level for the first 10 years of coverage. At the end of the 10-year period, the insured member or insured spouse may elect to reapply for 10-Year Level Term Rates covering subsequent 10-year periods based on their then current age, health, and tobacco/nicotine use, if he or she is less than age 65. The insured member's or insured spouse's contribution will automatically be calculated on a non-guaranteed basis if he or she: (1) is not approved for the 10-Year

Level Term Rates; (2) is age 65 or over; or (3) does not elect to reapply for 10-Year Level Term Rates. Please call the Program Administrator for details.

The cost of this insurance is based upon the member and spouse's gender, amount of insurance requested, usage of tobacco/nicotine products, health status, and attained age on the date coverage is issued. Premium contributions will vary depending upon the options chosen.

Only non-smokers meeting the highest underwriting standards will qualify for "Preferred" rates. Other non-smokers may qualify for higher "Select" or "Standard" rates. Smokers qualify for "Standard" rates only. Upon approval of your application, you will be notified of the rate classification for each approved person.
